

Dedicated and innovative professional with experience in coding, designing, deploying, and debugging web development projects.

- ❖ Skilled at utilising a wide range of technologies and programming languages.
  - ❖ Broad knowledge and understanding of HTML, CSS, JavaScript; proficient in React and Next.js.
- ❖ Capable of learning new information/procedures and collaborating with cross-functional teams.
  - ❖ Adept at developing innovative, responsive, and user-friendly web applications.

Career Highlights

**Techanzy Limited**, Lahore, Pakistan | Dec 2023 – Aug 2024  
**SOFTWARE DEVELOPER (FULL STACK)**

- ❖ Spearheaded the development of comprehensive websites utilising Next.js, React and Nest.js demonstrating expertise in MERN Stack.
- ❖ Played a pivotal role in cross-functional collaboration, working closely with designers and stakeholders to align project goals and timelines.

**Knowledge Streams**, Lahore, Pakistan | Oct 2023 – Dec 2023  
**TRAINEE (MERN STACK)**

Designed and validated web applications using HTML, CSS, JavaScript, and React. Created RESTful APIs using Node.js and Express and used Git for version controlling.

- ❖ Gained knowledge of industry trends, best practices, and emerging technologies.
- ❖ Utilised soft skills and fostered cross-functional collaboration to streamline workflows.

Education & Credentials

**Bachelor of Science in Accounting & Finance**, Forman Christian College & University, Lahore, Pakistan | 2018  
**Web-3.0 And Metaverse Developer**, PIAIC, Lahore, Pakistan

Key Projects

**INSPIRATION ANIMATION (FULL STACK)**

- ❖ Single-handedly developed an AI-driven web application using Next.js, Typescript, Supabase and Google-auth (for user authentication), demonstrating proficiency as a full-stack developer and delivering a seamless user experience from conception to development.
- ❖ Integrated the Foocus API for real-time image generation based on user prompts, showcasing adaptability in implementing external APIs to enhance application functionality and user engagement.

**EXTRAMILES (FRONTEND)**

- ❖ Played a key role in the frontend development of a Next.js web application, focusing on meticulous designing and style of React components, and seamless integration of Backend APIs to ensure a cohesive and intuitive user experience.
- ❖ Employed a diverse range of React libraries to optimize the visual appeal and functionality, showcasing a strong command over frontend technologies and dedication to delivering the impactful web solutions.

Technical Proficiencies

HTML, CSS, JavaScript | React, PostgreSQL, Node.JS | Next.JS, TailwindCSS
